

Safeland Basic Orientation Training

May 22, 2023

SafeLandUSA

This Basic Orientation and safety awareness course offers an overview of safety issues in the oil and gas industry – upstream, downstream, onshore or offshore. This one-day program meets API RP 75 & API RP T-1 requirements and provides a basic understanding at an awareness level of certain general safety information that an employee should know. Upon successful completion of session, each participant will be issued a wallet card which certifies a student at awareness level.
